

## Legal Notice

Recently there has been a massive increase in the number of organisations teaching Survival and Bushcraft.

We would like to reassure you that we are entirely independent. If there is any confusion please let us know. The Peak District Survival School logo is registered to the company. If you have any doubts, please feel free to call us or contact us from the areas supplied on the home page of the website.

Peak District Survival School does its best to ensure that its instructors and customers abide by the laws that govern the carrying and use of sharp objects such as knives, saws and axes. If you are unsure as to what the law states, please contact your local constabulary or call us on Tel: 07976931956

We would rather you asked, no matter how stupid you think the question is. Having an offensive weapon on your person in a public place without lawful authority or good reason could leave you with a £5,000 fine and up to 4 years in prison. If in doubt, please leave your knives, saws and axes at home.

Best Regards,

Mark Fox
